STANDING COMMITTEES

HIGHWAY SAFETY
COMMISSION

Supervisor Denny Mulhollan said he hoped plowing was nearing end. He said they have noticed signs down in the township. They started ditch and shoulder work on HoopUp Road. It is only a temporary fix to smooth up the road. Grants were submitted for HoopUp Road and a piece of equipment. We should hear something by the end of May. Still waiting on parts for the grader. Ron Krise asked if the sweeper was done and he was told yes with the roads he is to do. Ron wants to look at stone consumption as they are using less on roads. Ron said we had started sweeping the township roads they sweep.

EMERGENCY MANAGEMENT
COORDINATOR

Justin Millinder, Emergency Management Coordinator, did not submit a report for the month of March.

CITIZENS INPUT

JIM ENGLISH

Jim told the supervisors that the bridge by the fire hall needs cleaned. Ron and Denny told him there were things they needed to do at the bridge before cleaning.

KATE ROBERTS

Kate asked the township worked with at PennDOT in regards to signs and road accidents? She said about a bad accident near her property. She wondered if a mirror could be put up because of visibility issues. The supervisors said they would send a letter and see what they could find out. She said there was a white building that presents a safety concern of being able to see.
