The supervisors assured her they would get the road taken care of. She asked what the right of way was on the township roads and she was told 16-1/2' from the center. She said she believed some places were 22'. The supervisors said you can't measure every road right of way.

CINDY & DAVE CODER Cindy asked if she could at least get a courtesy call when they are going to be mowing. She said they are doing a decent job but is worried about her bushes. Her and Dave said they do not want their road to become a racetrack if it is fixed. Cindy said there was a hole in the middle of the road off SR970.
